

Member Benefits

Looking for a better combination of health club benefits in central London will prove a fruitless exercise, as no-one else offers such a range of added-value extras as The Langham Health & Fitness Club. Our incentives to join include discounts on luxuries such as our floral services and dry cleaning, along with offers on little treats like afternoon tea in The Landau, The Langham, London's restaurant which combines style and glamour with stunning interiors.

Even with all these benefits, the best incentive to join remains the opportunity to workout in our gymnasium, swim in our pool and relax in our sauna and steam room. We look forward to taking you on a tour of our club.

On Joining

- A personalised fitness induction.
- Complimentary meal in The Landau when dining with another guest.
