## BEAUTY AND THE BEST

### WHEN ONLY THE BEST WILL DO FOR THOSE ESSENTIAL EXTRAS...

For infinite indulgence, retire to the Infinity Suite, one of London's largest two bedroom suites. The master bedroom features a four poster bed, an en-suite dressing room and a spacious bathroom with a infinity edged bath tub

Why not reserve one of our fleet of cars to ensure you arrive at the airport on time to depart for your honeymoon

While we provide you with white table linen there is a vast selection of alternative colours or fabrics to choose from: organza, voile, table runners, chair covers and tie back bows

Reserve Postillion or The Mayfair for an intimate family gathering the night before your Wedding. With a table set for up to 16 guests enjoy our fine cuisine before the big day.

Round off the evening with added touches to spoil you, perhaps strawberries dipped in chocolate with a bottle of Louis Roederer Rich Champagne

Ensure your going away outfit is pressed to impress by asking our valet team to take care of your clothes and polishing your shoes before departure

Next day brunch. Enjoy, relax and relive the moment with your loved ones over a delicious brunch in one of The Carriage Rooms or in Postillion

Creating memories. Remember your wedding day every time you wear a personalised Langham bathrobe, embroidered with your names
